

PD Dr. Jochen Reinstein

(jochen.reinstein@mpimf-heidelberg.mpg.de)

Education

- 1980 – 1986 Study of Biology (Diploma), Ruprecht-Karls-University, Heidelberg
1986 – 1990 Dissertation (PhD), Dept. of Biophysics, MPIImF, Heidelberg

Professional Career

- 1990 – 1992 Postdoctoral fellow, Brandeis University, Dept. of Biochemistry with William P. Jencks
1992 – 1994 Group leader, Dept. of Biophysics, Max Planck Institute for Medical Research, Heidelberg
1994 – 2003 Group leader, Dept. of Physical Biochemistry, MPI of Molecular Physiology, Dortmund
2000 Habilitation with *venia legendi* in “Physiological Chemistry”, University of Bochum
2003 - Independent Research group leader, Dept. of Biomolecular Mechanisms, MPIMR, Heidelberg
2005 - *Venia legendi* in “Biochemistry/Biophysics”, University of Heidelberg
