

How to get to Ringberg Castle

In addition to the information provided below, the Ringberg Castle website also has a [travel page](#) that offers useful advice.

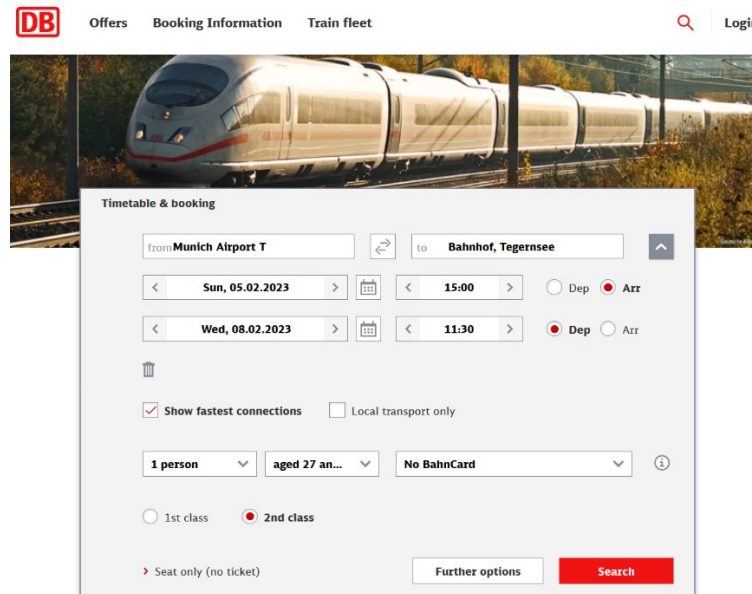

Ringberg Castle is located on a hill overlooking Lake Tegernsee at the northern edge of the Bavarian Alps. The weather in February can be freezing. In case you decide to come by car, please take into account that the castle hill is very steep and requires good winter tires! The locals recommend 4-wheel drive or possibly chains if there is a lot of snow. Also make sure to bring warm clothing.

The town of Tegernsee can be reached by train from Munich; the ride takes ~1 hour.

If you arrive in Munich by airplane, book a train ticket in advance from Deutsche Bahn at <https://www.bahn.com/en/view/index.shtml>

Enter “Munich Airport T” as place of departure and “Bahnhof, Tegernsee” as destination. Enter dates and times as appropriate.

If you stay overnight in downtown Munich before or after the meeting, book your train tickets to and from “Munich” (München Hauptbahnhof) instead.

The screenshot shows the Deutsche Bahn (DB) website interface for booking a train ticket. At the top, there are navigation links for 'Offers', 'Booking Information', and 'Train fleet', along with a search icon and a 'Login' button. Below this is a large image of a high-speed train. The main content area is titled 'Timetable & booking' and contains a search form. The form has two input fields: 'from Munich Airport T' and 'to Bahnhof, Tegernsee'. Below these are two rows of date and time selectors. The first row shows 'Sun, 05.02.2023' and '15:00', with radio buttons for 'Dep' (selected) and 'Arr'. The second row shows 'Wed, 08.02.2023' and '11:30', with radio buttons for 'Dep' (selected) and 'Arr'. There are also checkboxes for 'Show fastest connections' (checked) and 'Local transport only' (unchecked). Below these are dropdown menus for '1 person', 'aged 27 an...', and 'No BahnCard'. At the bottom, there are radio buttons for '1st class' and '2nd class' (selected), and a 'Seat only (no ticket)' option. Finally, there are two buttons: 'Further options' and a red 'Search' button.
